

## AD-WISE NETWORKING EVENT 2014

### ***Spectroscopic Monitoring for Optimised Anaerobic Digestion***

07.10.2014, 10:00 a.m – 15:30 p.m.

Fraunhofer IPMS, Maria-Reiche-Str. 2, 01109 Dresden, Germany

We invite you to the **AD-Wise Networking Event 2014** to be held on 07.10.2014, hosted by **Fraunhofer IPMS** in Dresden. The AD-Wise Networking Event 2014 is dedicated to bringing together industry and research in the field of anaerobic digestion. Fraunhofer IPMS participates in publicly funded projects concerning the spectroscopic monitoring of anaerobic digestion processes. This year, we would like to reach out to our colleagues in the field for interesting discussions and new research inputs.

We look forward to meeting you in Dresden!

#### **Programme for the Event:**

- 10:00 – 10:15 *Welcome* by Dr. Heinrich Grüger, BU manager Sensor and Actuator Systems at IPMS
- 10:20 – 10:50 *The AD-Wise Project – Live Monitoring of Biogas Plants* by Dr. Susanne Hintschich, Project manager AD-Wise at IPMS
- 11:00 – 12:00 Parallel workshop sessions
- 12:00 – 13:00 Lunch
- 13:00 – 13:30 Parallel workshop sessions
- 13:30 – 14:30 Workshop presentations
- 14:30 – 15:30 Concluding Plenary Discussion „*Biogas Market: Innovations for the Future*“

#### **You are invited to contribute to one of the parallel workshop sessions, including these topics:**

- I Anaerobic digestion between microbiology and macroscopic process scale
- II Methods of online remote monitoring anaerobic digestion processes
- III Biogas between ecology and economy

Each workshop concludes with a brief presentation by its participants.

**Registration is open until 19th September 2014.** You would like to participate? Please register yourself with Dr. Susanne Hintschich via email [hintschich@ipms.fraunhofer.de](mailto:hintschich@ipms.fraunhofer.de). The participation is free of charge.

See you soon in Dresden!

Dr. Heinrich Grüger
